

Good Day Mam/Sir

Apart from plane fly-over's, military displays, various stalls, jumping castles, and many more various displays as detailed in my attachment. The Brass bands are in location of The Old Greta Army/Migrant Centre from 0900hrs – 1330hrs. The Brass Bands would be expected to play 1940, 1950, and 1960s music in a static position, though-out that timeframe.

The Pipes and Drums would be expected to play various tunes, as determined by your Pipe Major, at various locations, within the Greta Camp, throughout the day, from 1330hrs to 1600hrs approximately on Saturday, followed by, playing as part of Massed Pipes and Drums for the closing ceremony. This ceremony is expected to finish at approximately 1700hrs on Saturday. Sunday would be the same performances except the Massed Pipes and Drums performance and closing ceremony would be from 1500hrs-1600hrs. **Bands attending this performance for payment, would be required to attend both days.**

It is expected there will be about 10000 people attending each day. There will be an area, identified for the bands, to enable them to get changed at the completion of each day.

This is a great opportunity to show the pipe bands off to the public at large. Some of the farmers up here, never leave their farms. Seeing so many quality pipe bands in one place, at one time, is going to be a show in itself. We have had a lot of interest from the different pipe bands including bands from Sydney, and beyond.

It would be great to see your Pipe Band, as part of our day for both playing to the public throughout the day and also to be part of The Massed Pipes and Drums closing ceremony. Please have your Pipe Major, complete and sign the Band Application Form. Please include the name of the band and an email address. There is no accommodation or transport, as part of this payment for performance, on both Saturday 9 Nov 19 and Sunday 10 Nov 19,

**All band applications will be considered** for this very special weekend, in The Hunter Valley 9-10 November 2019.

Post your completed Band Application and a copy of the bands current Insurance certificate to:

Mr Joe Royston  
28 Wyndham St  
Greta NSW  
2334

I will email more information about the big day, as I receive it. If your band is intested in attending this performance, please post your paperwork to me, to the above address as soon as possible.

Thank-you Band  
Co-ordinator

Respectfully

Joe Royston
